HERITAGE OPEN DAY

The following e mail was sent to Peter Jones from Andrew Thompson, organiser of the recent Heritage Open Day in Tavistock

Dear Peter,

I am e mailing to thank you and other members of the congregation at the Catholic Church for participating in this year's Heritage Open Days. I had feedback from several people, both locals and visitors to the town, about how impressed they were with the Church as a building but also about how welcome they had been made. I think they especially appreciated the fact that young members of the congregation were involved.

I do hope that you all felt it worthwhile and hope that you will be able to participate in similar events in the future

Kind regards

Andrew
