**Caritas Art exhibition at Plymouth Cathedral 18 – 24 May.** Caritas is hosting 3 free events exploring **Care for Creation at Plymouth Cathedral** during May. Come and join a conversation about the small actions we can all take to change the world around us, both for the people and the environment. All are welcome.

From the **18th-24th May** there will be an **Art Exhibition and self-guided reflective walk.** Our children and their intergenerational partners have explored collective memories of how to live sustainably and asked are their lessons from the past we need to recapture?

On **Monday 20th May 12.00pm-4.00pm** Everyone is invited to drop in and add to the mass participation artwork in a **Creative Workshop – Mossy Carpet.** Creating this artwork will help us to consider how small actions can make a huge change, and how we are called to be part of the restoration for nature in a time of climate and ecological crisis.

On the evening of **20th May 6.00pm-8.00pm** join us for our **Seeds of Hope Talk** to discuss and reflect about how we are called to be stewards of all creation. Registration essential.
