Assisted suicide campaigners are now lobbying MPs to try to use what is known as the Parliament Acts to bypass the House of Lords and force the assisted suicide Bill into law in the next Parliamentary session.

Taking the unprecedented route of using the Parliament Acts to bypass the House of Lords' scrutiny of a Private Members' Bill would be wholly inappropriate. It would be the first time ever that the Parliament Acts would be used for a Private Members' Bill, and polling confirms that taking this approach is not supported by the public.

Assisted suicide pressure group, Dignity in Dying, is currently flooding MPs' inboxes with emails urging them to back this attempt to bypass the House of Lords and force this dangerous Bill into law.

It is vital that MPs also hear from constituents who do not support forcing the Bill into law – and that they must oppose it.

We have launched an EasyAction tool that makes it easy for your parishioners to contact their local MPs and ask them to oppose attempts to force the assisted suicide Bill into law by bypassing the House of Lords.

Please visit www.righttolife.org.uk/ASCommons2026 to ask your MP to oppose forcing the assisted suicide Bill into law.
